

Business Renewables Centre - Australia

DRIVING A BUSINESS-LED RENEWABLE ENERGY FUTURE TOGETHER

We are an independent, member-led organisation providing in training, connection and fundamental 'how to' resources to companies seeking to decarbonise their business through renewable energy purchasing.

Our members are energy buyers (private and public sector), renewable energy retailers and project developers and professional service providers committed to accelerating industry towards sustainable energy use and net zero emissions.

LEARN

- Participate in energy industry events and training.
- Attend Buyer's Bootcamps and refresher trainings.
- Learn from our technical experts.
- Get discounts on tickets to industry events.
- Get full access to the BRC-A resource library of tools, templates and guides.

PROMOTE

- Promote your organisation's renewable buying success through speaking opportunities at BRC-A events.
- Promotional opportunities on BRC-A website.
- Features in our annual State of the Market report.
- Work with the BRC-A team to improve your communications.

INFLUENCE

- Stay up to date with policy changes.
- Provide input at targeted briefings with decision makers as policies are being drafted.
- Join our RE Buyers Policy Roundtable to discuss key renewable purchasing issues with decision makers and other buyers.

The BRC-A is a not-for-profit initiative founded by Climate-KIC Australia, the Institute for Sustainable Futures (UTS), WWF-Australia's Renewable Energy Buyers Forum and RMI.

* Trailblazer membership for Councils is just \$2,000 pa; for NFP's just \$800 pa.

Courses & Events

OUR COURSES & EVENTS

We deliver a range of courses and events to help you and your team to better understand and execute renewable energy contracts.

Attend training and educate more of your team by participating in our courses and events, designed to help you to negotiate with confidence, develop your energy knowledge, network with similar professionals and meet your professional development goals.

BOOTCAMP FOUNDATION COURSE (MODULE 1)

A half day introduction to the basics of offsite renewable energy purchasing. Covers the basics of GreenPower, LGCs & Retail PPAs. Review case studies to understand the basics of the PPAs process and how other organisations have succeeded.

BOOTCAMP MASTERCLASS COURSE (MODULES 2 & 3)

Take a deep dive into how a PPA deal is done with other buyers seeking to do the same thing. Covers both Retail & Wholesale PPAs. BRC-A's technical experts will give you the tools to ask all the right questions and support your executive team to get the deal done.

This course is worth 6 CDP points (GBCA).

NEW!! BOOTCAMP MARKET UPDATE REFRESHER COURSE (MODULE 4)

The PPA market is always changing. Once you've completed Modules 1-3 of our Bootcamp, our twice-yearly Market Update will ensure you stay on top of market and policy changes that affect your purchase to keep your deal progressing, measured and reported on using the latest information.

NEW!! BUYERS POLICY ROUNDTABLE

Join our new Roundtable designed to facilitate discussion between our Renewable Energy Buyer Members about emerging policies and policy issues affecting your renewable energy procurement. Learn what others are saying about important issues. Access policymakers to provide your input.

NEW!! EXECUTIVE BRIEFINGS

Leaders of industry are invited to join our Executive Policy Briefing Events to for exclusive access discussions on key policy issues with renewable energy policy decision-makers.

NEW!! PROMOTION & COMMUNICATIONS

Confused about what you can and can't say about your renewable energy purchase or PPA?

We can help you and your Marketing & Communications team to avoid greenwashing and improve your corporate communications on renewable energy purchasing.
